

Would You Sponsor This Kenyan Student?

COMMIT Ministries is helping the community of Mugomari in Kenya to construct a secondary high school mostly for orphans. This community has been devastated by the HIV/AIDS virus. The government provides for education through Standard 8 but not nearly enough for high school making it very difficult for most of the children in this region. Without a sponsor, this student will not be able to complete school.

This young lady is **CELESTINE AYEKHA**. As of April, 2009 she is 15 years old and is a promising student in Form 1. The whereabouts of her parents are unknown and presumed dead. She lives with her Uncle's wife and long with a brother and sister. The family is doing all they can to keep Celestine in school since the family has a long legacy of poverty. They truly need a sponsor if she is to ever have any hope of continuing on to college to pursue her dream career as a teacher. We pray you will help! To sponsor Celestine, fill out the form below & make your annual or monthly gift payable to:
