

Would You Sponsor This Kenyan Student?

COMMIT Ministries is helping the community of Mugomari in Kenya to construct a secondary high school mostly for orphans. This community has been devastated by the HIV/AIDS virus. The government provides for education through Standard 8 but not nearly enough for high school making it very difficult for most of the children in this region. Without a sponsor, this student will not be able to complete school.

This young man is **HILLARY MUHANJIL**. As of September, 2008 he is 16 years old and is a promising student in Form 1. He lives with his parents and nine siblings. Hillary enjoys playing futbol and is a good student too. His parents are truly struggling to raise their family and are falling behind in paying school fees. This family is doing all they can to keep Hillary in school but desperately need a sponsor if he is to ever have any hope of continuing on to college to pursue his dream career as a doctor. We pray you will help! To sponsor Hillary, fill out the form below & make your annual or monthly gift payable to:
