

# Would You Sponsor This Kenyan Student?

COMMIT Ministries is helping the community of Mugomari in Kenya to construct a secondary high school mostly for orphans. This community has been devastated by the HIV/AIDS virus. The government provides for education through Standard 8 but not nearly enough for high school making it very difficult for most of the children in this region. Without a sponsor, this student will not be able to complete school.

This young lady is **WILKISTAR KHAMALI**. As of October 11, 2008, she is 16 years old and a promising student in Form 2. She lives at home with her mother, father, and two siblings. Her uncle purchased the uniform get Wilkistar into school but no school fees have been paid. Both parents are unemployed and genuinely need a sponsor to see to it that Wilkistar is able to stay in school, graduate and God willing, go on to college to become a Primary School Teacher, her dream career! We pray you will help! To sponsor
